New Delhi, India

## EDUCATION

### University Institute of Technology, RGPV

Bachelor of Technology in Computer Science Engineering; CGPA: 7.85/10

Shivpuri, India

June 2025

## TECHNICAL SKILLS

**Programming Languages:** JavaScript, Python, C++, HTML5, CSS3

**Frameworks & Libraries:** Node.js, Express.js, React.js, Socket.io

**Databases & Tools:** MongoDB, MongoDB Atlas, Git, GitHub, Postman, VS Code, IntelliJ IDEA

**Core Competencies:** RESTful API Design, JWT Authentication, Full-Stack Development

## PROFESSIONAL EXPERIENCE

### Full-Stack Developer Intern | Certificate

July 2024 – Aug 2024

*BusinessOnBot*

*Remote*

- Improved backend performance by 30%, implemented JWT authentication, real-time Socket.io notifications, and 10+ secure RESTful APIs.

### IT Intern | Certificate

May 2023 – June 2023

*Delhi Metro Rail Corporation Ltd. (DMRC)*

*New Delhi, India*

- Resolved 10+ UI/UX issues, improved application load time by 40% through optimization, collaborated with a 5-member team on production updates, and documented 10+ technical workflows.

## PROJECTS

### COE RGPV Website

- Developed and integrated secure backend APIs for the official COE Labs website, supporting faculty data, events, and AI-focused academic projects in collaboration with senior developers.
- Live deployment: coergpv.vercel.app

### Task Master - Full-Stack Task Management Platform

- Developed a secure, real-time task management platform with optimized MongoDB schema and 85% faster notifications.
- Live deployment: task-masterapp.netlify.app

### MyDoc - Healthcare Appointment System

- Developed a secure medical appointment system with role-based access, patient history tracking, and 60% faster booking. Designed primarily for desktop use; mobile responsiveness not implemented.
- Live deployment: mydoc.infinityfreeapp.com

### DMRC Internship Management System

- Built an internship portal with role-based access, admin CRUD dashboard, and secure REST APIs; delivered all milestones successfully.

## LEADERSHIP & MENTORSHIP

### President, Technoverse Club

Sept 2023 – May 2025

*UIT RGPV Shivpuri*

*Shivpuri, India*

- Led a 15+ member tech club, mentoring juniors, organizing large-scale events, and ensuring on-time project delivery.

## CERTIFICATIONS

### Artificial Intelligence Builder Course

*MPSSDEGB and FITT, IIT Delhi*

March 2024

*Certificate*

### Blockchain Builder Course

*MPSSDEGB and FITT, IIT Delhi*

June 2024

*Certificate*
